## **New Paint Facility on the Gold Coast**

Coachworks are pleased to announce an extension to their Commercial Fleet Refinish Division. Located at Coomera on the Gold Coast this new facility allows Coachworks to offer a local service to our Gold Coast and Northern NSW based customers.

As always, Coachworks prides itself on its fleet refinish work. Coachworks' painters are experienced and professional tradesmen who pride themselves on a quality paint refinish on all vehicles they work on.

Coachworks Commercial Fleet Refinish is a reputable division of Coachworks that has the capacity to complete your job within a minimal time frame at a high standard. We work closely with our paint suppliers to ensure that we are kept up to date with the latest spray painting techniques and have the latest technology at hand to ensure a quality finish.

Please feel free to contact us for a quote and to book in your next job.

### **www.coachworks.com.au**

Coachworks are pleased to launch their "new look" website.

This site has been redesigned for ease of access to information for our current and potential customers.

The site is user friendly, interactive and kept up to date with recently completed jobs at Coachworks and general "news" from our business.

The site has information about our core business including :

- Refurbishment
- Refinish
- Spare Parts
- Safe-T-Ride
- Seat Retrofitting

## **SAFETRIDE Seat Belted School Bus Seating**

Coachworks are pleased to report that the SAFE-T-RIDE Seat has been well received within the industry.

This seat-belted seat is available in combinations to suit all vehicles including :

- 2 x 2 passenger (Standard bus and coach configuration)
- 3 x 2 passenger (High Capacity school bus transportation)
- 2 x 1 passenger (Mini and Midi Bus/Coach configurations)
- 5 across (Rear Seat)

**To learn more about Safe-T-Ride visit : [www.coachworks.com.au](http://www.coachworks.com.au)**

**FLEETPOOL**  
Global paint services

Coachworks are proud to be a part of the PPG Fleet Pool. The PPG Fleet Pool Network is an exclusive group of selected commercial vehicle repairers and refurbishers. They have been selected through a strict selection process and are specialists in their field. Being a part of this fleet pool ensures that we are kept up to date with the latest Technology from PPG to ensure we are passing on the best quality paint refinish possible to our clients.
