 <p>◀ 251452 The hard filaments of this extra stiff yard broom ensure complete dirt removal without stirring up dust. Designed for outdoor use and cleaning truck beds, the broom fits on Vikan's handles.</p>	 <p>◀ 522752 A multi-purpose short handled hand brush. Sensitive to painted surfaces, it is particularly suited for grill cleaning and light vehicle washing.</p>	 <p>◀ 525352 A special rim brush made of rubber covered wire (to protect the rim from scratches) allows intricate cleaning of otherwise unreachable parts narrow at the top and wide at the bottom.</p>	 <p>◀ 525152 Rim cleaner with nylon scouring bristles. Cleans aluminium rims efficiently and safely.</p>	 <p>◀ 525252 Multiple-purpose brush with rubber edge, perfect for cleaning rim.</p>	 <p>◀ 473752 - 500 mm handle 473352 - 700 mm handle 473552 - 1,000 mm handle. This complete windscreen cleaning tool combines sponge and scraper for total insect removal. Ideal for use in petrol stations.</p>	 <p>◀ 071152 Robust, durable Dingga gun - a quality product. Maximum pressure 25 bar, maximum temperature 80°C/176°F</p>	 <p>◀ 521552 Snow brush. For brushing away loose snow.</p>
 <p>◀ 475552 A robust washing brush with water channel and special VTS filaments which is particularly suited to high level cleaning. New rubber edges give added protection against any risk of scratching paintwork.</p>	 <p>◀ 310652, 310852 A solid brush which is equally suited for vehicle interiors and garages. Designed to remove wet and oily dirt. The brush is available in 30 or 40 cm sizes.</p>	 <p>◀ 524652 The ultimate ergonomic hand brush for vehicle cleaning which combines handgrip, angled filaments and a rubber edged nose to protect vehicles paintwork.</p>	 <p>◀ 545252 This large wheel cleaning brush with its angled soft and split filaments cleans wheels, tanks and undercarriages of commercial vehicles. It is designed to fit all VTS handles.</p>	 <p>◀ 473952 A telescopic handled windscreen cleaner which quickly cleans insects from buses and trucks. The handle extends to 1,25 m.</p>	 <p>◀ 071052 A nozzle that is particularly suitable for cleaning wheel arches and applying wax. Fits all Vikan handles.</p>	 <p>◀ 520052 The ice scraper/snow brush removes snow and ice even in the coldest conditions.</p>	 <p>◀ 561552 Plastic shovel, 98 cm long. The shovel is made of plastic and is therefore ideal for use in connection with transporting dangerous goods by road.</p>
 <p>◀ 526452 A sturdy multi purpose rectangular washing brush with water channel which is perfect for cleaning large flat areas. The special VTS filaments produce a highly effective yet gentle wash.</p>	 <p>◀ 311552, 311752 A general purpose broom for dry, wet and oily areas. Available in a choice of 40 or 63 cm sizes, the broom fits on the Vikan's ergonomic handles.</p>	 <p>◀ 525452 An exceptional vehicle hand brush with water channel and special VTS filaments. Perfect for washing cars and light vehicles.</p>	 <p>◀ 550052, 552552 A quick and simple device for easy removal of insects from windcreens. The swivelhead pad dramatically reduce cleaning time and protect against windscreen scratching.</p>	 <p>◀ 522252 A long handled multi purpose brush for vehicle washing. Ideal for use in petrol stations.</p>	 <p>◀ 631052 Radiator brush for buses. Cleans between the seats and the sides of the bus that are awkward to reach.</p>	 <p>◀ 556052 7-piece brush set. Small brushes in various sizes. 556152 5-piece brush set. 2 detail work brushes, 25 x 35 mm, 2 detail work brushes, 25 x 50 mm, 1 round detail work brushes, 20 mm</p>	 <p>◀ 070152, 070052, 070652 Simply attach the hose coupling (070152) to the hose and click it on to the handle or tap nipple. Screw the tap nipple (070052) to the water tap. The swivel (070652) prevents hoses from twisting. (071252) for the Dingga gun.</p>
 <p>◀ 526852 An efficient brush with an adjustable head for varying the angle of application and extra long filaments for additional reach. Gives the operator the best working position whilst achieving excellent results.</p>	 <p>◀ 708852-40, 708852-60 This highly effective squeegee has an oil resistant rubber and removes all excess floor liquids. Available in two lengths of 40 cm and 60 cm.</p>	 <p>◀ 450252, 558552 This slimline hand brush removes all dust and loose dirt. Designed for use with the metal dustpan which withstands hot ash.</p>	 <p>◀ 537252-120, 537252-80, 535252-1500 The tube cleaner with its 1.5 m flexible handle is perfect for cleaning long curved tubes.</p>	 <p>◀ 631052 Radiator brush for buses. Cleans between the seats and the sides of the bus that are awkward to reach.</p>	 <p>◀ 556052 7-piece brush set. Small brushes in various sizes. 556152 5-piece brush set. 2 detail work brushes, 25 x 35 mm, 2 detail work brushes, 25 x 50 mm, 1 round detail work brushes, 20 mm</p>	 <p>◀ 070152, 070052, 070652 Simply attach the hose coupling (070152) to the hose and click it on to the handle or tap nipple. Screw the tap nipple (070052) to the water tap. The swivel (070652) prevents hoses from twisting. (071252) for the Dingga gun.</p>	 <p>◀ 631052 Radiator brush for buses. Cleans between the seats and the sides of the bus that are awkward to reach.</p>
